STUDIO GUIDE

White Cyc Wall Studio

Space + Lighting

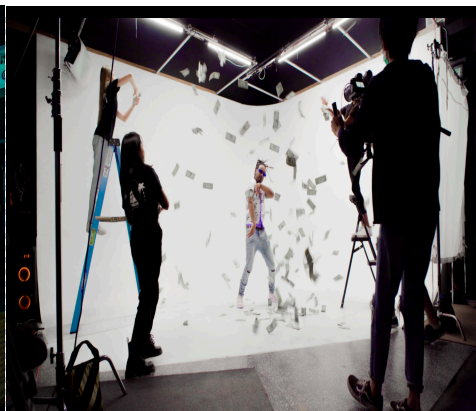

\$49/hr

2-hour minimum

Content Recording Add-On

\$89/hr

2-hour minimum

A white cyc wall studio for larger video productions and photoshoots. The wall is approximately 18 ft wide, 15 ft long, and 10 ft high, with approximately 12 ft of floor coverage. The room is sound-treated and receives continuous air conditioning from a separate room to reduce background noise.

Included Lighting & Support Items

- Five Lume Cube Tube Light XL 4-foot RGB lights controlled with the wall-mounted iPad.
- Two Lume Cube XL 60W RGB Mini COB LED lights mounted overhead.
- Two SmallRig RC120B bi-color lights on movable C-stands and one Amaran 60D spotlight with spotlight lens attachment.
- Director chair, folding chairs, stools, mirrors, C-stands, ladders, and extension cords. Paneling and selected props must be requested at least 24 hours in advance.

PROTECT THE CURVED WALL

Do not step, sit, stand, lean, or place equipment on the curved transition of the cyc wall. A \$500 damage fee applies if the cyc wall is damaged.

Studio Hours

Monday - Tuesday	9:00 AM - 6:00 PM MST
Wednesday - Saturday	9:00 AM - 10:00 PM MST
Sunday	10:00 AM - 6:00 PM MST

Green Screen Studio

Space + Lighting

2-hour minimum

Content Recording Add-On

\$89/hr

2-hour minimum

A 500 sq ft green screen cyc studio measuring approximately 14 ft wide by 12 ft deep with 8 ft ceilings. Designed for video production, photography, interviews, virtual backgrounds, commercials, talking-head content, and keyed-background projects.

Included

- Three ceiling-mounted panel lights.
- One SmallRig 220D diffused key light on a C-stand.
- Open floor plan for talent, camera, and lighting setup.
- Standard studio layout and included equipment prepared before arrival.

PROTECT THE GREEN FLOOR & CURVE

Use clean footwear, lift equipment instead of dragging it, and do not step or place equipment on the curved transition. A \$500 damage fee applies to cyc wall damage. A \$50 cleaning fee applies when the floor requires additional cleaning.

- White Cyc Wall: enter through the yellow door on the south side of the building.
- Green Screen: enter through the south-side door marked with a green square.

FAQ & Final Checklist

Are lights included?

Yes. Each studio rental includes the lighting listed for that space.

Is a staff member on-site?

No. The studios are designed for self-service rentals. Optional on-site support is \$50 per hour and must be reserved in advance.

Can I add support after I arrive?

No. Support and equipment add-ons must be scheduled and paid for before the rental date.

Can I rent a camera?

Yes. The Content Recording Add-On includes one Sony A7 IV camera kit. Additional cameras require an advance quote and reservation.

How many microphones are included?

Up to four podcast microphones or one wireless lavalier microphone kit are included with the Content Recording Add-On.

Can I bring my own equipment?

Yes, as long as it is safe, does not damage the space, and complies with studio restrictions. Strobe lighting must be supplied by the renter.

Can I tour the studio?

Use the website galleries and walkthrough videos first. In-person tours must be arranged separately.

What happens if I finish late?

Overtime is billed at the hourly rate for your rental type. Reset and exit must be completed within the reserved time.

Final Checklist

- Confirm all expected clips and audio were recorded.
- Power down equipment as instructed without unplugging fixed studio systems.
- Return lights, stands, microphones, cables, furniture, props, ladders, and accessories to their original locations.
- Remove personal items, food, and production materials. Dispose of trash and clean spills.
- Inspect the cyc wall or green screen floor for marks or damage.
- Exit through the assigned door with every attendee before the scheduled end time.
- Contact Rental Support immediately if you notice damage, access issues, or missing equipment.
